

REMARKS/ARGUMENT

Claims 1-4, 9-12 and 14-22 are active.

Claims 1, 11 and 12 are amended to incorporate the definition of G from Claim 7.

Non-elected claims 12 and 14-22 are retained for consideration of rejoinder with the allowable elected subject matter.

Applicants thank the Examiner for the courtesy of discussing this case with their undersigned representative by telephone on July 29, 2011.

The Examiner rejects Claims 1, 2, 4, 5, 11, and 21 as obvious in view of Yoneda and Unangst (see page 5 of the Action). Claim 7 was included in the pending and considered claims, Claim 7 was not rejected, was not indicated as being withdrawn, and at least one species of G in Claim 7 reads on the elected species identified on page 2 of the last Office Action, the rejection is no longer applicable.

It is respectfully requested that the rejection be withdrawn, consider and search the non-elected species, rejoin the non-elected subject matter and that the Office issue a Notice of Allowance indicating all pending claims are allowable.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
